## SCOPE OF POLICY

This Special Events Policy of the City of Baton Rouge and the Downtown Development District \*(DDD) will serve as the framework for regulation and approval of all special events held in the 100 Block of Lafayette Street (Lafayette Park)

## EVENT PLAN

Each applicant must submit an event plan and application including full event description **before being added to the DDD calendar**. This includes, but is not limited to, size and placement of all signage, event purpose, expected attendance, hours of operation, list of vendors and type of products, staffing plan, layout, and site plan. Tent size and placement must be approved. All items **MUST** be submitted to Downtown Development District at least 45 days prior to event date.

## GUIDELINES

### Utilities

Lafayette has some provided power. Depending on your electrical needs and location, an electrician with the City of Baton Rouge may be required to be on site for the duration of your event as determined by the DDD. The hourly fee for this service is determined by the City of Baton Rouge and will be provided upon request. The cost of the electrician will be at the Applicant's expense. All usage and placement of generators must be approved by the DDD prior to the event.

### Vendors

All vendors and tent locations must be diagramed on the event plan before approval. Vendors are allowed to use tents in approved locations within the site. Food vendors are responsible for the area within each tent. For sidewalk protection, all vendors serving food must use plastic beneath serving tables and metal sheets under grills. Drilling into pavers is never allowed to secure tents.

### Sound Amplification & Stage Usage

All events must discontinue the use of amplified sound equipment after 10:00PM and end by 11:00PM. Sound amplification must not adversely impact the quality of life of surrounding areas. Sound levels may be controlled by the DDD and the City of Baton Rouge.

### Signage

All signage for the Event must be approved by the DDD. No banners, signs or other event advertisements may be hung from trees, buildings, fencing or public art pieces. Each Applicant must provide details and include size and placement of all signage within the submitted event plan.

### Vehicles

No vehicles are allowed in Lafayette Park except on designated access and unloading/loading points.

## Clean-Up and Park Damage

Each Applicant wishing to hold a special event in Lafayette Park is responsible to see that no damage or harm comes to the landscaping, fixtures, public art or any other features of the property. The DDD requires that each Applicant will return the Property in the exact condition under which the Applicant found the Property prior to Event set-up. **All trash, signage, equipment, other debris, or any other physical evidence that a special event took place MUST be removed from the Park immediately following the Event.**

## PERMITS AND LIABILITY

### Street Closure Requirements

Depending on the number of attendees some events may be required to obtain a street closure. The police department or Traffic Engineering has the discretion to have any event obtain a street closure if they see fit.

### Insurance Requirements

**Insurance is required for all events held on City-Parish property including streets, sidewalks, etc.** Commercial General Liability coverage shall be provided with limits of not less than \$1,000,000 for any one Occurrence and if a General Aggregate limit is used, it shall not be less than twice the Occurrence limit.

If alcohol will be served on City-Parish property OR if alcohol is served on non City-Parish property and there is a public street closure involved then Alcohol Legal Liability coverage shall be provided with limits of not less than \$1,000,000. If alcohol will be sold/served on City-Parish property, a special events permit is necessary. Evidence of coverage showing a 30-day notice of cancellation is required.
